pot o' gold

of a high school

and its students . . .

How swiftly time passes on the campus of DeVilbiss.

In retrospect we see a year of significant experiences . . .

• of scholastic recognition . . . of individual honors . . .

of championships . . . of prize-winning publications . . .

of records in community service . . . of social successes . . .

of building redecoration and expansion.

Now, the 1955 Pot O'Gold illuminates that year with its treasury

of glowing memories.

scene . . .

A familiar sight: men in paint-spattered white  
toting ladders, buckets, and brushes.

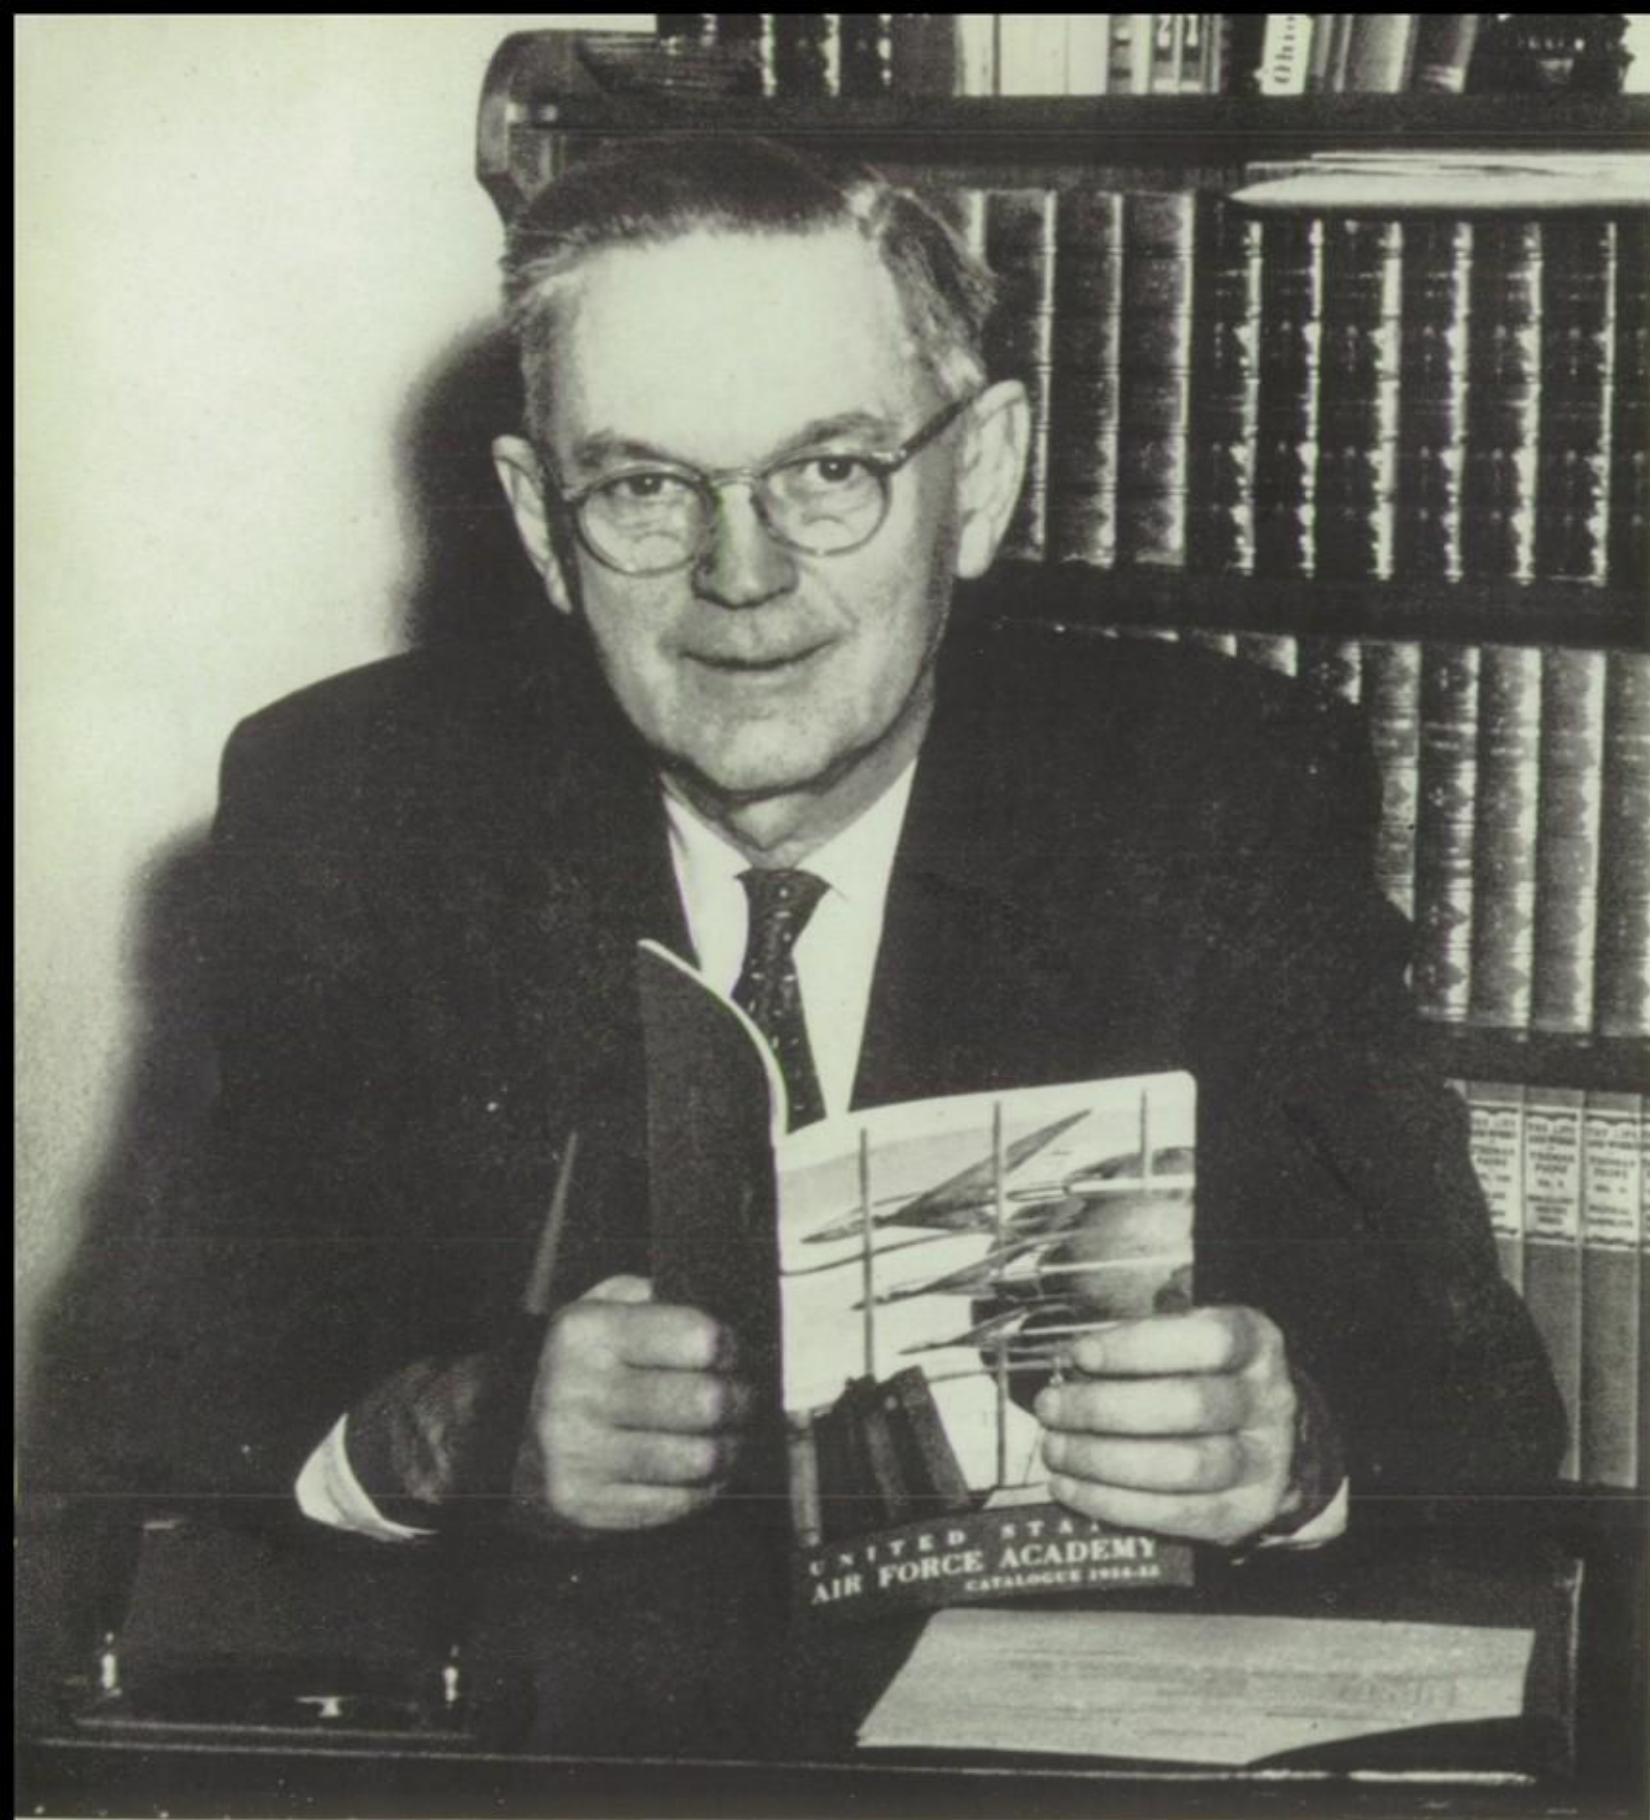

The day's "stretch" begins at the office mailboxes.

. . . teachers conduct classes—grade  
countless papers—hold sessions—ad-  
vise and befriend hundreds of students  
—have active educational, profession-  
al, social, and cultural interests outside  
of school. Together with the school  
librarians, the office clerks, the cafe-  
teria management, and the mainten-  
ance staff, they play influential roles in  
the development of the DeVilbiss stu-  
dent.

the busy principal . . .

proud of "his" high school . . .

And the school's best booster is Merritt C. Nauts. No one is more devoted to DeVilbiss than its principal who since the opening of the school in 1931 has been its administrator. He has always been personally interested in his students and in their accomplishments — this interest continuing on past graduation into college and careers. It is due to his administrative ability that DeVilbiss is the ranking school it is. Respected by his colleagues and recognized as an educational leader, Mr. Nauts was named president this year of the Ohio High School Principals Association.

**The Toledo Board of Education**

SEATED (L. to R.): Thomas Bretherton; Edwin D. Dodd; Grant Murray, Vice-President. STANDING: Wayne Shawaker, President; Raymond D. Baldwin.

**Mildred A. Pasch**

Miss Pasch, through years of training and experience, is well qualified to be the Counselor of Girls. She is a leader with composure — a valuable asset in such a demanding position. Whether she is working with the girls on personal matters and adjustments, or counseling them concerning their interests and needs, she is patient and understanding. Her wide interest in student life has been shown by her attending their innumerable social affairs. Active in various professional organizations, Miss Pasch has also had for several years the responsibility of guiding the DeVilbiss chapter of the "Future Teachers of America".

**Russell G. C. Brown**

As a counselor, Mr. Brown has always been highly regarded for his sincere interest in all the students of DeVilbiss, not just in the boys who needed individual counseling. Everyone will long remember and respect his friendliness, his sense of humor, his fairness, his soundness of judgment. Through his impartial counseling, Mr. Brown harmonizes the student-faculty relationship. Adviser to the freshman class and to the Sharps and Flats Music Club, he remains close to the students.

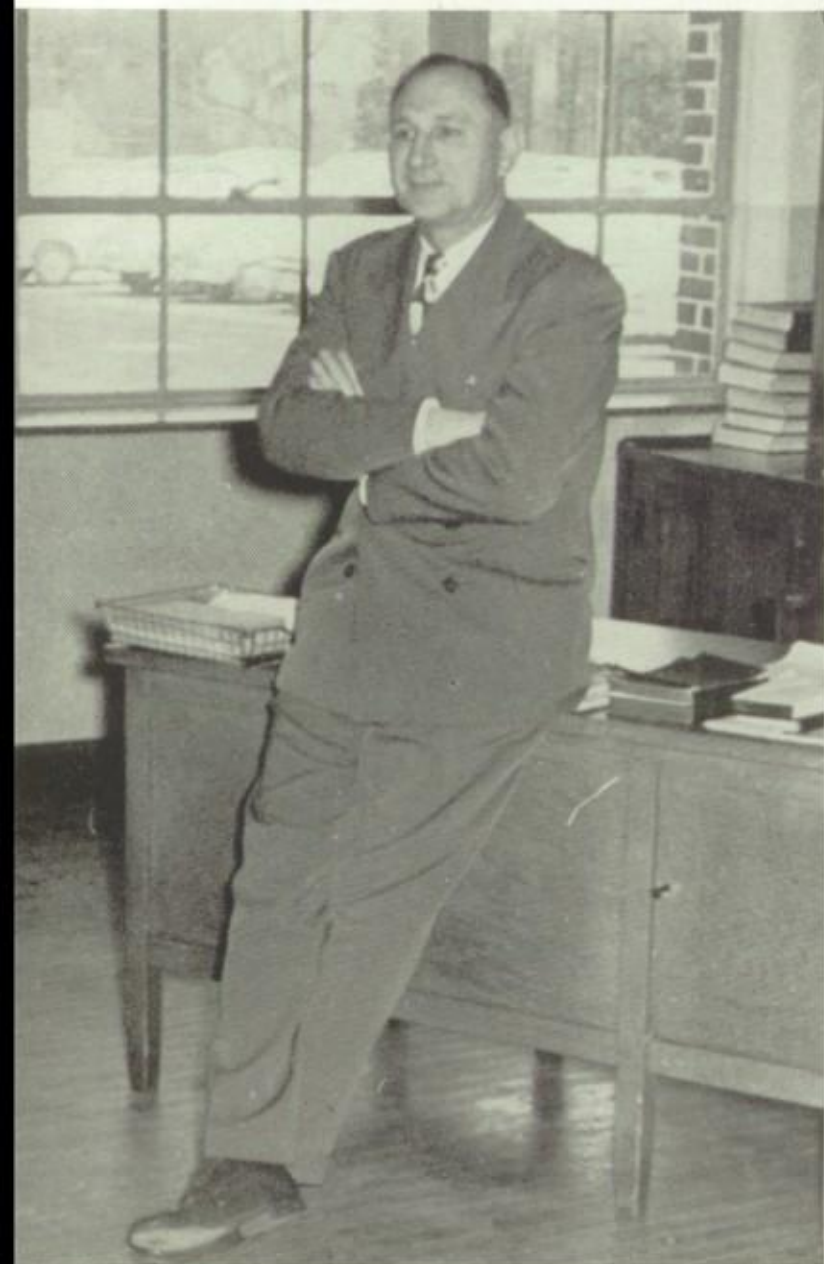

## principals . . .

This year Mr. Conrad, former freshman coach and social studies teacher, was assigned a new position, that of supervising instruction and curriculum. His many duties include setting up classes, adjusting schedules, advising in essay contests and college scholarship tests, and solving numerous other curricular needs. In this manner Mr. Conrad contributes to maintaining the high standards of DeVilbiss.

**Irvin C. Conrad**

**Robert E. Rettig**

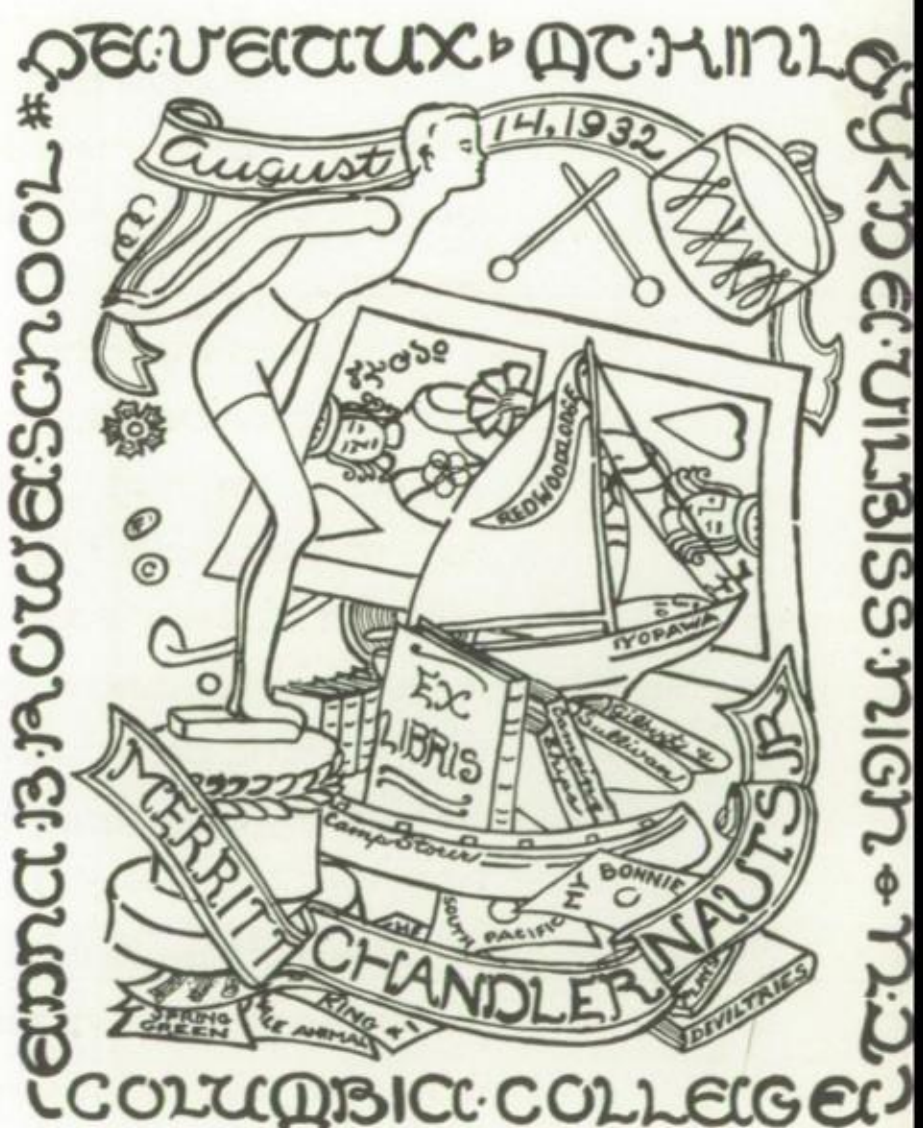

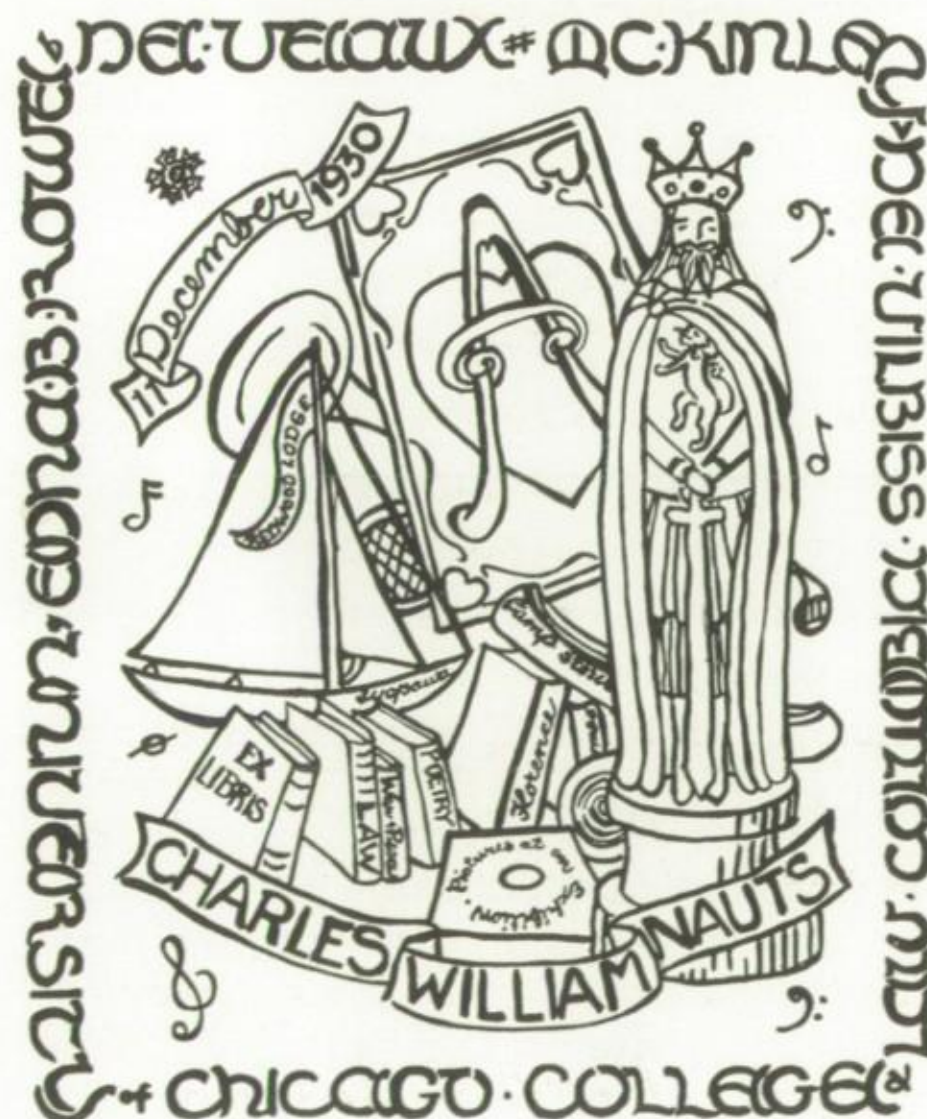

Mr. Rettig, as Director of Activities, working with the Student Council and the Student Council Commissions, strives to build a more democratic DeVilbiss. He is interested in having every student participate in some extra-curricular activity. With his dynamic personality he is really achieving his goal! Every year, under his direction, more and more clubs are formed, larger and better school functions are held. Mr. Rettig is certainly a significant part of DeVilbiss life.

### **Helen Barrington Nauts**

A Tribute . . . one of the last designs developed by Mrs. Nauts was at the request of her three sons for an original book plate for each of them. In thinking of this she decided to work out a design based upon all of the types of scholastic and extra-curricular interests in the school years, from nursery school through completion of their college experiences. The designs include an interpretation of the many values they received in their years at DeVilbiss as revealed in their daily comments to their mother. It is her best expression of appreciation of the many contributions of the schools to the development of her sons.

At the national convention of high school principals held in February a special luncheon program was presented on the topic "The Role of the Wife of the Principal" at which all of the types of activities of the wives of principals in the life of the high school were presented. It was enlightening to hear reviewed the many ways in which wives participate in and contribute to school and community programs centering around the activities of students. It is a real privilege to have the opportunity to express my tribute to the joy and satisfaction Mrs. Nauts felt in the many invitations she received to participate in the life of the school as well as the wife of the principal.

upper classmen! at last!!

And so as Juniors they began a year of activity. Early in the fall, a week of banners, speeches, and campaign propaganda was climaxed by the election of the "favorite candidates." Officers and committee chairmen offered at the Secor Hotel as their first production of the season, "Broadway Blues", the J-Hop. Two other events of equal success were the Boys' Mothers' Tea and the class play, "Best Foot Forward". Several hundred Juniors had an exciting time visiting Washington during their spring vacation. The farewell dance honoring the Seniors on the eve of graduation closed a banner year. To the advisers, officers, committees, and all the members of the Class of '56, congratulations on your accomplishments!

Carole Goodwin, Secretary;  
Mary Ann Roth, Vice-President;  
Virginia Sinclair, President; Sue  
Crawford, Treasurer.

## sophomores . . . confident and carefree

For the first time in the history of DeVilbiss, a Sophomore class has elected four girls to lead them in their activities throughout the year. President Virginia Sinclair, Vice-President Mary Ann Roth, Secretary Carole Goodwin, and Treasurer Sue Crawford have proved to be competent leaders.

With their advisers, Miss Papps and Mr. Klee, the class presented the annual Sophomore Dance in March. This dress affair, "The Continental," was highlighted by the selection of a "Continental Couple" who reigned over the dance. Not only did the Sophomores support their own event, but they also contributed to all other school projects.

Mr. J. Norman Klee and Miss Elizabeth Papps, class advisers.

Dance chairmen discuss plans.

Miss Ursula Schmit and Mr. Russell Brown, class advisers.

Six hundred new and unfamiliar faces came through the doors of DeVilbiss last September to make themselves the Class of '58. Having touched every aspect of student life, the Freshman captured the lead on the Honor Roll and became members of commissions, committees, and clubs. With their overwhelming enthusiasm they helped boost all school projects; their hearty cheers echoed at all athletic events. And in Froshmores, Revelries, and Deviltries they displayed ability, initiative, and leadership — the material success is made of.

One president, fifteen commissions of approximately twenty members each, seventy-five homeroom representatives, and the faculty adviser, Robert E. Rettig, combined forces this year to reap \$20,000 in the Magazine Drive, to sponsor an intra-mural sports program, two editions of the Revelries, a school dance, a faculty Christmas party, and an Area Council dance. A new feature promoted by the Council was "dead week"—that time preceding exams when studying again took priority over activities. An additional project of major interest was the presentation of a flagpole for the football stadium.

## city champions again!!

Facing the monumental task of rebuilding after the loss of all but three key men who brought the Tigers their first city championship last season, Coach Hilton Murphy was quite pleased when his team blanked Findlay. Bob English and Dale Pittman looked like real veterans as they ran up the score. Over 7,500 fans saw a determined Waite team deadlock the Tigers. As in later games, Ernie Spychalski inspired the team and did much work to set up the scoring.

The Tigers took the lead in city football with a win over Woodward; however, they lost Frank Barrow through injury. After a defeat at Sandusky, the offense began to sparkle again. DeVilbiss went to Lima and tied them after a hard-fought game. Macomber was their next city victim. Coach Inman's speedy backs and Mr. Hardy's line played better than ever before. Dick Holt sparked the line play while Dave Schnorf kept the defense ever on the alert.

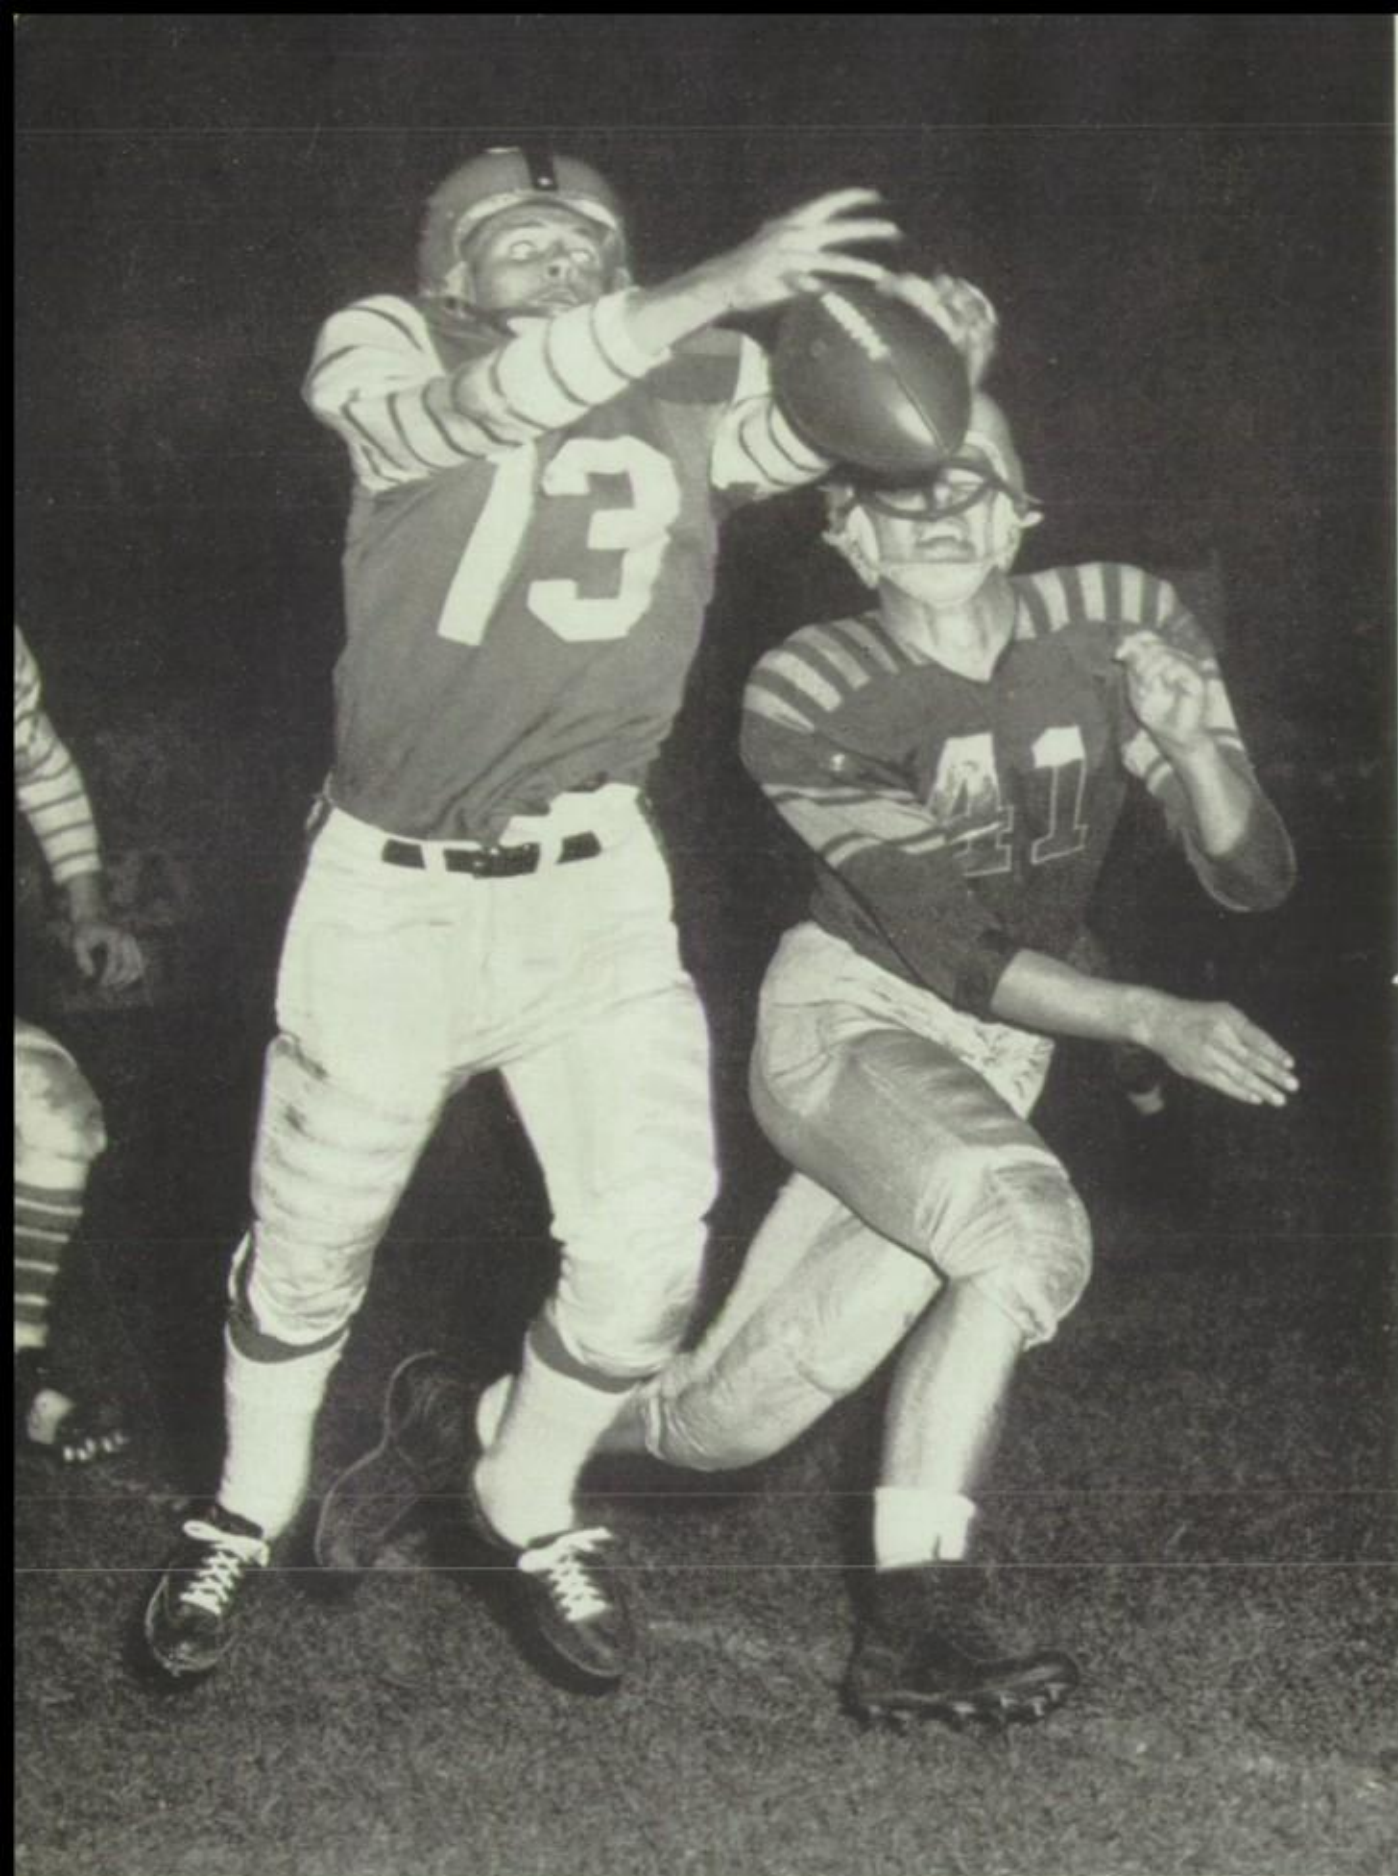

Leading by nineteen points in the third quarter against Scott, the defending champs scored three more times before a large crowd. Jerry Bushong gained in polish along with backs Bob Rehkopf and Ron England.

Stonewall Jackson High in Charleston, West Virginia, was host to DeVilbiss the next week. After a pleasant day meeting the other team, DeVilbiss won by two touchdowns.

An interesting feature was the absence of any penalties. Jerry Wertz and John Koontz played their usual fine football.

After easy wins over Central and Whitmer, the only threat remaining to a second city championship was Libbey. After a fine mass meeting the team looked forward to the Thanksgiving Day game. The fans supported their team almost one hundred percent. After a close first half the Tigers returned to form, completely outplaying the bewildered Libbey team. Once again, for the second year in a row, championship football has returned to DeVilbiss.

English grabs another pass.

## rettig leads basketball players to hardfought victories.

Bob Rettig's last year as basketball coach was a successful one. Most of the season's games were close and thrilling as DeVilbiss fans cheered their team to victory. The Tigers' abilities showed in streaks; most of the time the streak being Dick Rosswurm, the highest scorer in city competition. Combining fine defensive play and smooth offense, and using speed to greatest advantage, the boys proved themselves worthy of any opponents. The team's fine individual stars who sank many good shots were Jerry Bushong, Roger Lippincott, and Bob English. Greatly aiding their Senior teammates this year, junior players showed ability which promised to spur them in next year's competition. The fine spirit showed this year will undoubtedly continue next year, but the retirement of Mr. Rettig from coaching will be greatly missed.

Fast ball coming up.

The many individual stars of the baseball team combined to capture fourteen wins and four losses in league and tournament play. Bob Taylor, Bill Dixon, Jim Rerucha, and Sam Ciralsky toured the outfield, while Dick Schnelker, Jack Crowley, Lyle Sweet, and Bill Eikost worked in the infield. Point of interest—they defeated the Toledo University team in an unscheduled game.

Examples of the great pitching of the season were Phil Travis' no-hit game and Don Harpster's fine record of seven wins and one loss. Dixon's .429 was one of the highest of the team's batting averages and definitely added to the many wins.

This year's baseball team has truly upheld the fine tradition of sportsmanship and fair play set by the previous teams of DeVilbiss. Having lost few seniors in the line-up, the remaining players are looking forward to an even better season under the coaching of Norm Kies.

## trackmen dash to victory

Under the track coaching of Dave Hardy, DeVilbiss had a very successful season. In the city competition, they won all their meets except one, losing to Libbey by one-half point. Many individual events were won by speedy trackmen Jimmy Kier, Bob Rehkopf, Russ Waggoner, and Lenny Schwartz. Smither Merrill, George Roby, Tom Crawford, and Bob English entered the longer races. Placing the shotput with great precision were Jack Campbell and Jerry Bushong, who also threw the discus. Many of the boys competed in two events, often placing well in both.

In their own Night Relays, DeVilbiss placed fourth. Setting a new record in the 400 yard dash was Jimmy Kier.

With many promising runners as underclassmen, Mr. Hardy foresees his future teams as successful as this year's.

Winning the high jump.

**Golf Team:** Don Dusseau, Mike Higgenbotham, Dick Risley, Jim Glanville, Dick Alexander.

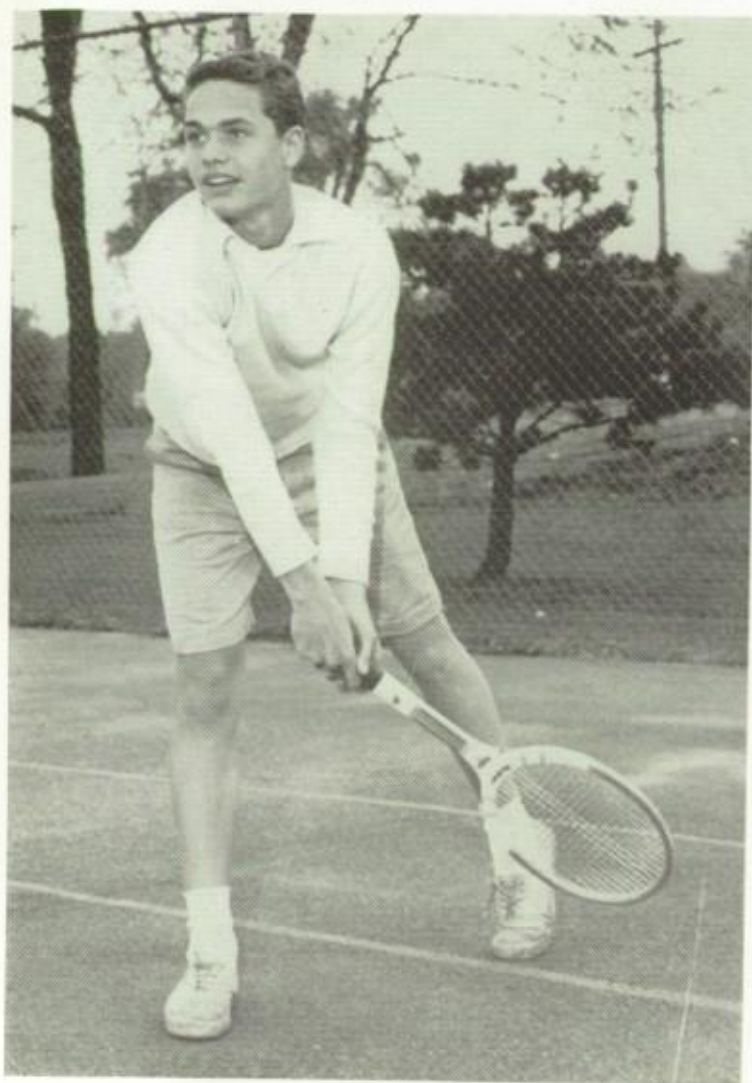

## golfers invade the links

Risley's usual good form.

The enjoyment of playing golf was of great benefit to the members of this year's team. Under all conditions — rain, cold, heat, and even darkness — the boys faithfully kept their afternoon matches with other school teams. Members of the team who showed their skill were Jim Glanville, Don Dusseau, Mike Higgenbotham, Dick Alexander, and Dick Risley. Winning many of their city games they played in the district tournament. In this match twelve teams competed for a chance to play in the state tournament: the first and second place teams advancing to Columbus. Although DeVilbiss was the decided underdog, they managed to tie for second place in the district. Dick Risley, the medalist in many of the matches, played as our first man. After a three-hole playoff, their opponents seemed to blow up under the pressure; DeVilbiss won by twelve strokes. The team went on to the state matches but bowed to a stronger team at the tournament.

That wicked backhand of Dietsche.

The tennis team was composed mainly of sophomores and juniors. Despite this handicap they played many fine matches and won their games with great spirit and sportsmanship. Bob Dietsche and John Wiley went to the state tournament for singles. Wiley lost in the semi-finals. Dietsche was recommended for his fine playing before he bowed in the finals. Ranked as the second best player in the state, Bob received much acclaim.

In city play the team was successful winning all their matches and thus went on to win the city championship. Ron Gregg and Bart Burkhalter excelled in doubles. Ty Cottey, Jim Jeffery, along with Bob Pavkovitch, were constant contributors and very ably aided in boosting the team's record. This season's entire team will be back next year in hopes of surpassing their many achievements.

## pins fly as bowlers roll

On Saturday mornings the pins fly as the bowling teams invade the alleys. Always a favorite sport with boys, this year's team has proved to be serious in their interest in the game. They took second place in the American League, with Hal Breese holding the highest average and Ron Reichart following him closely.

Led by the high average of Bob Decker, DeVilbiss placed fifth in the National League. Next year the boys hope to better their record after gaining a year's experience.

## boys' physical education program

Don Sharpe, chairman, Norm Kies and Don Black supervise boys' physical education. The underclassmen have a skills' program; the juniors and seniors have a games' program which gives the boys the opportunity of putting their skills into practice. Athletic achievement tests twice a year show the gains in skills acquired

during the year. In the fall, the outside sports are pass and tap football, speedball, and soccer. In the winter tumbling, basketball, wrestling, volleyball, and handball are played inside. Intramural basketball, wrestling tournaments, and other organized leagues are popular with the fellows.

## girls' athletics

A variety of activities are included in the girls' athletic program designed to interest every girl.

The freshmen start their high school gym classes with hockey until cold weather curtails it. Basketball, the favorite of most, is over before you realize it, and is followed by folk dancing. With the arrival of spring, the girls again take to the outdoors for softball. The sophomores follow the same schedule with the exception that tap dancing is taught instead of folk dancing. Archery starts the activities the junior year followed by basketball and modern dancing concluding with badminton.

Senior gym—what a relief. The routine is broken with outside gym. Swimming, tennis and fencing are offered at the Y.W.C.A.; while golf, horseback riding and bowling interest others.

Any girl wishing to further her knowledge and appreciation of sports, has the opportunity to join the Girls' Athletic Society. G.A.S., the largest organization for girls in the school, is open to any DeVilbiss girl interested in sports. This year's intramural program included hockey, volleyball, basketball, and softball.

From the moment President Ron Tesarik called the first meeting of the Inter-Club Council to order this year, everyone felt that something would be accomplished. With a tea in September for each club's president, ICC representative, and adviser, the ICC began a year of activity. Once again the Inter-Club Council sponsored the Little Brown Jug Contest. At Christmas time, each club was given a place in the school to decorate. The whole school then voted on the decorations and the winning club was awarded the Little Brown Jug.

Something that's been long needed around school finally became a reality — a club trophy

box. Prior to this, the clubs which won the division awards during DeVilbiss Week, the Little Brown Jug Winner, and the others had no place to display their prizes; but now all can proudly show off their trophies.

The Spring Banquet was another of the successful ventures of the ICC, made possible by the hard work of the president and his officers, Vice-president Harold Hovey and Secretary-Treasurer Eleonore Eitel. Of course one couldn't possibly overlook the invaluable aid given by Mr. Robert Rettig, faculty adviser. This year the ICC has certainly promoted co-operation among clubs in a manner benefiting the general welfare of the school.

## 1954 service award winner . . . pay-a-el-sa

Officers: Mary Gaffney, Vice-President; Marilyn Heinrich, Secretary; Carol Smith, President; Joan Gist, Treasurer.

Having won the Student Council award for the best service club, Pay-a-el-sa really "went to town" to capture it again this year. They gave a scholarship to a foreign exchange student at the University of Toledo, donated Thanksgiving and Christmas food baskets, presented Christmas toys to two children, held an orphans' party, supported a Japanese orphan, and contributed to the March of Dimes in memory of Kay Johnson, a former officer. These service projects, although important, were only one phase of their program. With so many activities, money is, of course a necessity. So came seemingly endless bake-sales with a card party to break the monotony. A slumber party, a turn-about-party, an annual spring dance, and a senior banquet rounded out the social schedule. Along with the general business meetings held every other Friday, these events made this year's program an active and a busy one.

## giving rather than receiving . . . sisco

If you're interested in rendering service to others this could very well be the club for you. This is evident from their list of service projects, among which is the education of a five year old orphan. One third of every money-making project goes toward this cause. They also contributed to the City of Hope Fund. With the help of their adviser, Mr. Hilton Murphy, the club members started something new around school this year—the girls made and handed out basketball programs. The Christmas Child Fund on radio station WOHO was ten dollars richer due to Sisco. These and their many other undertakings showed that they really wanted that Student Council service award. Bev Woodruff, President, conducted meetings every other Friday after school in the members' homes. At all of these meetings were girls whom the club has helped and who have helped the club.

**Officers:** Judy Lippold, Treasurer; Bev Woodruff, President; Jeanne Deitsch, Vice-President; Barbara Lindsey, Secretary.

Has your club adopted a needy family? This was the main project of the Sophomore Y-Teens this year. Besides giving the family a basket of food at Christmas, the girls presented every month some additional assistance, and even gave each of the children a birthday party complete with gifts. In addition, they made stuffed animals for crippled children and sent a CARE package abroad. Purely social activities were not lacking, however. A bake sale and a jitney supper helped to finance this ambitious and worthwhile program. A Christmas dinner followed by a gift exchange at one of the members' homes served to increase the friendship among the girls. The Sophomore Y-Teens, led by President Carol Mason and assisted by adviser Miss Elizabeth Papps, cleverly recorded their many accomplishments in a scrap book at the conclusion of their program.

## in friendly spirit . . . junior y-teens

These girls decided at the outset of the year to plan a well-rounded program with at least three service projects and three social events, for as the saying goes, all work and no play makes Jill a dull girl. Reserving the second and fourth Tuesdays of each month for their meetings, the Y-Teens arranged to assemble in either the room of their faculty adviser, Mrs. Grace Knaggs, or in the home of one of the members. Open to all Junior girls, this club maintained a balance of interests. The girls met new friends and learned to co-ordinate their activities, and at the same time grew in character and personality. This year Junior Y-Teens succeeded in their purpose of uniting in a spirit of friendliness and service.

**Officers:** Christine Thomson, Treasurer; John Lehrer, Vice-President; Judy Gerwin, President; Helen Frybarger, Secretary.

The Junior Red Cross Club is a very young organization at DeVilbiss. Formed only in 1954, it is composed of the Red Cross representatives from every homeroom. The purpose is to advance the interests of the DeVilbiss chapter and other chapters of the Junior Red Cross. The service projects for the club are sent to them from the local Red Cross Chapter. This year they have made correspondence albums and favors for different occasions, collected tax stamps, filled overseas Red Cross boxes, and have given parties for the members. Also they presented programs for underprivileged people. This year, representatives from DeVilbiss — Judith Kimmerlin, Judy Gerwin, Nancy Frybarger, and Marilyn Heinrich — attended the 1955 kick-off for the Toledo Red Cross Campaign in the Peristyle of the Toledo Museum of Art where they were privileged to hear the guest speaker, Oveta Culp Hobby.

## for better relationships . . . family living

Many seniors at DeVilbiss, in conjunction with their family living course in school, belong to the Family Living Club. The main purpose of this group is to uphold the basic ideals of family living. At meetings held at the Monroe Street Methodist Church, the members plan various charity or social projects. Under the able advice of the president, Ralph Drake, and the advisers, Mrs. Blanche Luther, Mr. and Mrs. A. C. Duvendack and Mr. and Mrs. John Williams, they participated in many activities. They presented a show for the Crippled Children's Home and listened to talks on the Child Study Institute, Alcoholics Anonymous, and other social agencies. Not only has this club helped to prepare the members for good family living but it has also provided many hours of fine times and fun.

**Officers:** Pat Williams, ICC Rep.; Mrs. Williams, Parent Adviser; Reba Scott, President.  
All set for the big dance.

The Senior Y-Teens have based their organization on helping their community and teaching members to grow as good Christians. Their usefulness is evident in their many service projects. They gave a Thanksgiving food basket to a needy family, volunteered their services at the Cancer Center, held a tea for the freshmen, and gave a party at the Old Folks Home. At their meetings, they heard several speakers. Under the able leadership of Reba Scott, these girls have helped one another and have gained many new friends. Every second Thursday of the month, in the homes of the members, the Y-Teens met to make their plans. Any senior girl who is interested in working for her community is welcome to join. This club, which is unique in that each year's edition of Senior Y-Teens is newly formed, has upheld the tradition of the Y-Teen organization.

## establishing lasting friendships . . . freshman y-teens

Freshman Y-Teens, under the leadership of its officers and advisers, has helped its members to meet other people and to assume responsibility. The purpose of the club is to have each member grow as a person; to grow in friendship for all races, religions, and nationalities; and to grow in the knowledge and love of God. Membership is open to all freshman girls interested in service for others. Meetings are held every other Thursday after school in the library. Although this is a new club, much has been accomplished by its members. Activities included taking a field trip through Tiedtkes and hearing a guest speaker at a meeting. Also, each girl took two orphans home with her the Saturday before Christmas and bought them presents. The girls look forward to becoming Sophomore Y-Teens next fall.

## building good character . . . senior hi-y

One of the oldest clubs in DeVilbiss, the Senior Hi-Y has extended and maintained throughout the school, home, and community a higher standard of Christian living. This year the boys took a four day bus trip to Chicago, held a splash party, and a hayride, and spent a weekend at Camp Storer putting away boats and preparing the camp for the coming winter. They also donated all profits from a dance to the "Doc" Miller Memorial Fund. Interesting speakers such as Woody Hayes, head football coach at Ohio State University, and Joe Scalzo, Toledo University wrestling coach, were included in meeting programs. These meetings were held at the West Toledo YMCA on Monday evenings and conducted by President Jerry Wertz.

**Officers:** Dick Holt, Secretary; Jerry Wertz, President; Lynn Brown, Treasurer; Bob English, ICC Rep.; John Koontz, Vice-President.

**Officers:** Elise Snyder, Treasurer; Lois Harmon, President; Karen Taylor, Secretary.

The Commercial Club is the right organization for you if you are a business student and have a "C" average. The club gives to its members understanding of the business world and gives them a chance for leadership. Meetings are held in room 150 on Wednesdays at three o'clock. A few things the members did this year to help their school and their community were being PTA guides and YMCA workers, giving a Thanksgiving basket, caroling at the Old Folks' Home, and aiding a needy family. Under the leadership of their three advisers and their officers they have also done such things as taking a tour of the Toledo Blade Building, having a pot-luck for the new members, and holding a card party at the YMCA to raise funds. This club which was organized just last year is helping to make better secretaries for tomorrow.

Last year the "Outstanding Special Interest Club Award" went to the Future Teachers, begun in 1949 to help inform students of the qualities essential for good teachers. Future Teachers have learned to work effectively with other people. Meetings are held on the first and third Thursdays either in room 126 or in a member's home. The only membership requirements are an interest in teaching and a "C" average. The members visited grade schools, and attended a State Future Teacher convention. With the help of President Frances Piasecki, and the advisers, Miss Mildred Pasch and Mrs. T. H. Heywood, they held an induction in the library on the evening of the P.T.A. open-house. They have taught classes when teachers were absent or busy, they have had speakers, and they have made a poll of past members to see whether or not they are now teaching school. The present members hope they can benefit as much from membership as past members have.

**Officers:** Christel Froehlich, Secretary; Janet Zucker, Treasurer; Nancy Kunst, President; Bill McCandless, Vice-President.

La Alianza was organized in 1948 to bring together good Spanish students and to promote a better understanding between the United States and its neighboring Spanish-speaking countries. La Alianza's main project for the year was saving tax stamps and earning money for a ninety dollar Brazilian scholarship. At the meetings, held on the first and third Tuesdays of the month in the members' homes, programs were presented about Spanish-speaking countries to give the members an idea of the customs and social patterns of each country. A guest speaker from Nicaragua and one from Mexico, a chili supper, a Christmas Pinata Party, the viewing of a Spanish film, student reports, and a travelogue of the entire Pan American Highway were highlights of the year's meetings. Open to all students who are either taking Spanish at the time or have previously had one year of the language, La Alianza is a member of the student Pan American League.

## stamp club

The Stamp Club has helped its members by adding to their knowledge of, and interest in, stamp collecting; in exhibiting their stamps; and in philatelic writing. With this help, members have had articles about stamp collecting published in national stamp magazines and have won prizes at various local, regional, and national philatelic exhibitions. Although this club was only organized in 1953, it has been very active with such programs as talks by members and its adviser—Mr. David Voss, stamp auctions, quizzes, a club exhibition, mixture packing, and trading sessions. Projects have been a donation of stamps to wounded veterans in hospitals and a club exhibition in the library. The purpose of the Stamp Club is to promote interest in stamp collecting among DeVilbiss students.

## astronomy club

This year the Astronomy Club was divided into two separate groups. An advanced division had an interesting program of study, including nuclear reactions in suns, gravitation, relativity, and characteristics of the planets. Building telescopes and astro-cameras have been projects this year. The club has been able to fulfill its purpose of studying the practical and theoretical ways of astronomy. To become a member, you must be interested in the subject and willing to work. Meetings are held the second Tuesday of the month at school and the third Tuesday at the University. With the interested guidance of the advisers, Miss Fern Dickey and Miss Frederica Hanson, the Astronomy Club has been able to give the members a well-rounded year of learning.

## active in play production . . . dramatics club

This year everyone at DeVilbiss was talking about the new program of the Dramatics Club. It was divided into three separate groups, each of which presented a one-act play for the others. The group whose play was judged the best presented its drama to the entire student body later in the year. Although the club was established only 2 years ago, it has done much in fulfilling its purpose of better understanding and appreciation of all phases of drama. Wednesday afternoons found them meeting in room 243 under the leadership of President, Judy Klein, who was assisted by the two club advisers, Mrs. Margaret Hoffman and Mrs. Opal McFarland. Projects for the community and school were not forgotten, for the group presented a Christmas basket to a needy family and helped with Christmas decorations in the school. The Dramatics Club again presented a fine year's program through the diligent work and co-operation of its members.

**Officers:** Tom Merritt, ICC Rep.; Jerry Kaminsky, Sergeant-at-arms; Miss Rose Bloom, Adviser; Norman Mirsky, Treasurer; Ann Worster, Vice-President; Aaron Sheon, President; Audrey Kaul, Secretary.

Since one of the students' greatest interests these days is the present world situation, this new club, was of special importance to all. Formerly known as the United Nations Club, the Council on World Affairs packed a year with many accomplishments. Once a month, in room 262, President Aaron Sheon, with Miss Rose Bloom, adviser, held meetings at which there were important discussions and speakers on present world affairs. The group, who is an active participant in the Toledo Area Junior Council on World Affairs presented an assembly in observance of United Nations Week. To make the program of the year even more complete, they had a dinner and a pot luck. The Council on World Affairs has given its members a year of pleasure and significance which will long be remembered by all of them.

The Equestriennes have taught their members the enjoyment of riding. Horsemanship as an accomplished sport is fascinating both to the riders and the observers. This year's president, Beverly Woodruff, is an excellent example of achievement in this sport. She has won many trophies and ribbons for her exhibits of skill. This year the club has provided a Thanksgiving basket for a needy family, helped decorate the school at Christmas, and provided entertainment at the Old Folks' Home. A study of horse anatomy, a trail ride, a Jitney supper, a treasure hunt and a Christmas party were also planned. The business meetings are the first and third Mondays of each month in the school library after school; members ride regularly on Mondays.

DeVilbiss welcomes the Dolphins as a newly organized group at the school this year. The main purpose of this organization has been skillfully carried out in this year's program by furthering interest in several different kinds of athletics connected with the school. Under the leadership of President Don Pollard, and assisted by the rest of the officers, the club has been able to get off to a fine start. Since they began, late in the school year, their opportunities were limited in choosing projects; however, they did have an ice-skating party at Oak Openings Park. They also sold candy for a money making project, they have established themselves on the basketball, football, tennis, swimming, and track teams. The one membership requirement is the maintaining of a high interest in all sports offered at DeVilbiss. Meetings are held in the homes of the members. The Dolphins, advised by Mr. Don Black, have enthusiastically participated in and supported the athletic activities of DeVilbiss.

## providing religious experiences . . . christian youth

A definite interest in Bible study and Christian fellowship are required for membership in this organization. The club, interdenominational in nature, met on the second and fourth Monday of each month in the homes of the members. This year the members studied the Book of Saint John and in February presented the film, "Prior Claim", to the student body. Every Thursday afternoon at the close of school they held a prayer meeting. The Christian Youth Club, led by Ralph Mungons and advised by Miss Elaine Hirth, has helped its members by strengthening their belief in God and providing Christian experience. Students, through this club, are obtaining a better knowledge of the Lord Jesus Christ.

**Officers:** Sue Carr, Secretary; Georgia Kanag, Vice-President; Caleen Myerly, Treasurer; Lera Winters, President.

Membership in Charlemos Spanish Club is open to those students who have completed either one year of Spanish or one semester with an "A" average. The members have fulfilled their purpose of gaining a better understanding of the culture of the Spanish-speaking peoples, by hearing a talk on Mexico, by giving reports on that country and its customs, and by learning a Spanish dance. They also donated a Thanksgiving food basket, clothes, and toys to a Mexican family; held a bake sale; and gave a party for the orphans at St. Anthony's. At the meetings, held on the first Wednesday of the month from 7:30 to 9:00 in the members' homes, the girls have learned to better understand their Latin American neighbors.

## vocational preparation . . . future nurses

On the first and third Mondays of every month the Future Nurses of America listened with interest to guest speakers and made plans to tour hospitals and public buildings. They gave presents and several scrapbooks, which they had made, to patients at the State Hospital. Caroling at Christmas-time provided a pleasant way to spread holiday cheer. With the help of faculty adviser Miss B. Faye Miller and parent adviser Mrs. Richard Luedtke, President Betty Luedtke efficiently guided this group of girls, who have maintained above average grades and a definite interest in a medical career. Promoting an interest in the vocation of nursing, this club brought together girls with a common goal. Many have been influenced to enter this field through participation in the numerous activities of Future Nurses.

**Officers:** Bob Lachin, Treasurer; Hal Hovey, President; Aaron Sheon, Vice-President; Jim Loe, Secretary.  
Future engineers get ideas.

One of DeVilbiss's most interesting groups, although only organized last year, is the Engineering Society. The group's president, Hal Hovey, and its adviser, Miss Eva Samsen, have helped a great deal by informing the members about engineering as a career. To become a member of the Engineering Society you must maintain at least a "B" average in the fields of science and math and be a sophomore, junior, or senior. Meetings are held in members' homes or in the school. Already this year they have visited several large industries; they have heard guest speakers tell of the advantages and opportunities to be found in this field. The organization saw the movie "Operation Ivy"—a story of the first H-Bomb test; and they attended a lecture on "Civilization Through Tools". The Engineering Society has been found by its members to be both educational and enjoyable.

Officers: Sue Aston, President; Nancy Kunst, Vice-President; Philip Zaugg, Treasurer; Barbara Sunderman, Secretary.

Are you interested in music? If so, Sharps and Flats is the club for you. But wait a minute, that isn't the only requirement for membership. You must also be able to perform. In helping the members to better appreciate and further their interest in music, the club went caroling at Christmas time to Toledo Hospital, the Old Folks' Home, and Crippled Children's Home. Each month the club has a definite program. This year members attended Youth Orchestra and Choral Festival concerts at the Art Museum, held a progressive dinner, made up a theater party, and had a fish fry. The annual spring concert was presented to the club by some of the members. Individual accomplishments include solo recitals and performances with the Toledo Orchestra. President Susan Aston and advisers Miss Elaine Hirth and Mr. Russell Brown have created, maintained, and promoted interest in all kinds of music as a cultural and artistic means of self-expression.

## taught good fellowship . . . zetaletheans

The Zetalethean Literary Society, given the Student Council award for the best literary club of 1954, this year continued to uphold their activity standards. Their ambitious program for the year included a Mothers' Tea, a Senior Banquet, a progressive dinner, literary programs at the meetings, guest speakers, and group trips to plays and movies. A "B" average in English and a "C" average in other subjects are requirements for membership. At the meetings, held on the second and fourth Thursdays in the members' homes or in the library, Zets discuss, among other things, future projects. Making favors for Thanksgiving, giving a Christmas program for the entire school, and going caroling were some of their more important projects. Under the guidance of advisers Miss Marjorie Warner and Miss Leah Schueren the club has taught good fellowship, consideration of others, and a commendable school spirit to its members.

## culture for all . . . quill and dagger

**Officers:** Bob Gantzios, Treasurer; Bill Blinn, Vice-President; Dave McNutt, Secretary; Jack Collins, President.

Quill and Dagger is a club that can be proud of its members and that can have its members proud of it. You might call it a tribute to the club that last year's parent adviser remained as adviser again this year even though his son had graduated. Meetings are held every two weeks in the homes of members, who must be sophomore, junior, or senior boys with a scholarship of "C" or better. Since this is a boys literary society the primary reason for these meetings is to further their knowledge of literature. However, these meetings are also a time to plan their various activities and projects. When it was decided to use club members to guard in the auditorium, the "Q.D.'s" were the first to help out. It was also at one of these meetings that the idea to use a gigantic Santa's head for the Christmas decorations was hatched. At Christmas time they sent a basket of food to a needy family. The year ended on a happy note with the annual picnic. Quill and Dagger has rounded out the school activities of its members very satisfactorily this year.

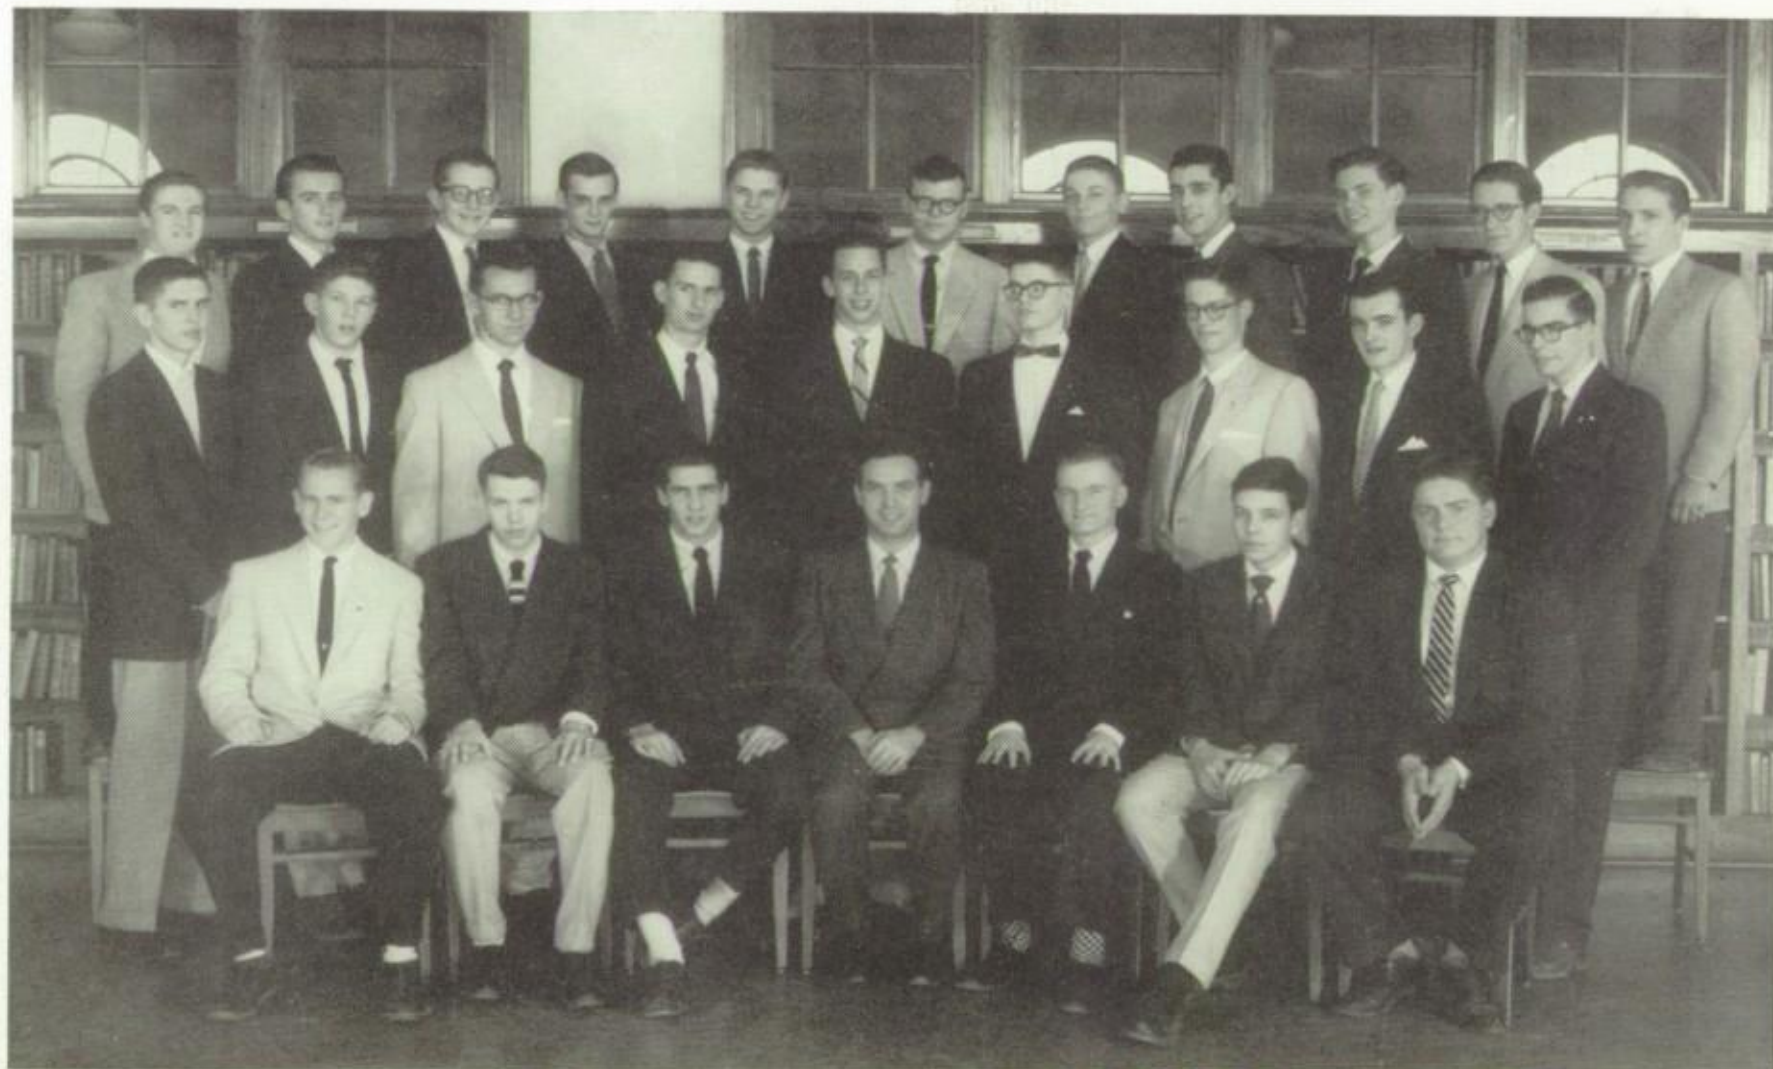

The Forum Literary Society is now in its second year at DeVilbiss. Membership is limited to Sophomore, Junior, and Senior boys, with at least a "C" average in English. Under the leadership of President Angelo Theofanous, the club promotes the appreciation of the literary arts. Their adviser, Mr. John N. Klee, has helped to unlock the door to the cultural world for its members. Toward this goal they were thrilled by hearing the experiences of a man from the Treasury Department, and toured the Dutch exhibition at the Art Museum. Combining their literary and social life, the boys and their dates attended the concert given by the world-famous Westminster Choir; social events also included a stag party for the members and alumni. At the Christmas party given for the members and their dates, the girls were inducted as special members of the Society. The rivalry between Forum and the Quill and Dagger Literary Society has lead to numerous athletic contests between these two clubs.

The Phils had a really ambitious program for this year. They planned to attend the Westminster Choir concert at the Toledo Museum of Art; to hear book reviews; to hold a white elephant sale, a Christmas party, a jitney supper, and a mother-and-daughter tea; and to invite Mrs. Blanche Luther to be a guest speaker. They also sponsored a CARE package and entertained the orphans at St. Anthony's. Aiming toward increasing literary interest, the members have discussed books and plays, and listened to Broadway musicals. Any girl who wishes to join must be a sophomore, junior, or senior with a "B" average in English. The meetings are held the first and third Tuesdays of every month in the homes of members. Some individual members have been on the Honor Roll, the Prism Staff, and members of other clubs, committees, and commissions. As President, Sue Gilliam and her efficient corp of officers strove to increase literary understandings and appreciations.

## attaining a wide literary background . . . pericleans

At each meeting of the Periclean Literary Society, two members prepare the pro-gram to give the members a wider literary background. The Peries have fulfilled their purpose of doing literary work and serving their school by taking a weekend trip to Detroit to see a play, having an alumni tea during the Christmas holidays, attending a performance at the Repertoire Theater, honoring the seniors with a Ban-quet, holding programs on dramas or musicals at their meetings, and selling DeVilbiss pennants for a donation to the Red Cross. A "B" average in English and a "C" average in all other subjects are the requirements for membership. The meetings are held on the first and third Thursdays of the month in the homes of the members. The Peries are very active in such school activities as commission work and class activities.

This year the Thalian Literary Society has gained popularity by widening members' literary scope. Accomplishing this task was hard work, but under the supervision of their president, Joyce Martin, and the other capable officers, the group has been able to accomplish this. At the regular meetings of Thaliens, which are held on the second and fourth Thursdays of each month in members' homes, the study of a play has been a major part of this year's program. Besides the literary understanding, the group has an active social life. This year they gave Thanksgiving and Christmas baskets to a needy family. Later in the year they had a backward theater party and a trip to Detroit to see Cinerama, which provided a wonderful time for all. To be able to accomplish these various activities, the club had a white elephant sale and also sold mums at the Thanksgiving Day game. Thaliens has provided a well-rounded literary and social program for its members which they will long remember.

"Little Brown Jug, How I Love Thee." This is what all the Talisman members were singing after winning the Little Brown Jug for the second consecutive year. The coveted award was given to them for their prize-winning Christmas decorations with the theme "Candy Land." Talisman also won recognition as the outstanding social club in 1953-54. The year for Talisman began with a splash party for the newly inducted members. Another social evening was a private dance party held at the Toledo Tennis Club during the Holidays. To maintain their high standards they engaged in service projects too, such as building the club mailbox in room 122, repairing sleds and toys which they gave to needy families at Christmas, and the giving of Easter baskets to the poor. Every year the members realize they have benefited by these service and social projects. Good luck, signified by the word "Talisman", and combined with hard work, has helped these boys in achieving their success.

Although Junior Frauleins was organized in 1953, the club has accomplished a great deal in promoting stronger and better friendships and in having a more active social life. Every month the girls have two projects — one social and one for service to the community or school. The group gave a Christmas party at the Lucas County Orphans' Home and went Christmas caroling. They also had a dinner party in one of the members' homes. In order to have activities such as these, the girls held a white elephant auction and sold salt-water taffy. Meetings are conducted every other Tuesday in members' homes, by the president, Judy Benfer, under the supervision of the advisers, Mr. Warren Goode and Mrs. Harold Richter. To become a member of this organization a girl must be a junior and maintain at least a "C" average. Junior Frauleins has successfully created greater friendships and cooperation among its members this year.

## a whirl of activities . . . junior sorelles

Co-operation, understanding, and close harmony are just a few of the attributes found in every member of Junior Sorelles. Under their capable president, Martha Curtis, and advisers, Mr. and Mrs. Norman Pollman and Mrs. Max Froehlich, the group was able to plan and fulfill a year brimming over with activities. They gave food baskets to a needy family during the holidays; they sponsored and presented the school's Easter program. Each month Sorelles hold a social, charity, or money-making project. Just a few of their many activities were a progressive dinner, a bake sale, and a splash party. A "C" average is required of junior girls wishing to join this group. Many active leaders in the school are found in Sorelles; through the club they gain experience working together. Fulfilling their purpose of "maintaining unity and fair play among members and participating in activities beneficial to the school", the Sorelles have successfully completed a year to remember.

If you are a Junior or Senior girl interested in joining a social club, Sub-Debs has much to offer, for its aim is to co-operate with all school projects, and to plan and attend social functions. The progressive dinner given during the Christmas Holidays, a tea honoring their mothers, and a fund-raising card party added to the year's activities. In the spring they had a party for the children at the Lutheran Orphans' Home. President Linda Johnsen and the advisers, Mr. and Mrs. Norman Pollman, directed the club in a successful door-to-door bake sale, a project which all the girls participated in. Each May the Senior girls look forward to a banquet honoring them, and it is this that climaxes the year's program. Evening meetings, held in the members' homes, are on the first and third Tuesdays of every month.

When the Alaytheins look back on their first full year in existence, Thursdays are going to seem extra special to them. For they saved two Thursdays each month for their meetings; and no one could ever forget those meetings. Being a social club, Alaythein's main purpose was to have fun; and that they did. This new club, just organized in 1954, has done a lot to strengthen old friendships and to build new ones. They were not interested only in fun, however, as evidenced by their service projects. Everyone willingly consented to give a food basket to a needy family. Even though the Christmas decorations meant a lot of hard work, the sense of pride and accomplishment at the finish was deemed well worth it. The personalities of these girls have all been enriched by new associations and acquaintances. All in all, this was a wonderful start for a very fine organization.

Established only last year, Amica has offered its members a fuller social life and a higher standard of character. Their ambitious program for the year illustrates this: early in the fall they had a hayride which they followed with a roast. To get into the Christmas spirit, Amicas decorated a part of the school, gave a basket of food to a needy family, went Christmas caroling at Toledo Hospital, and held a special party for the members of the club. A formal dance held in the spring at the Top of the Marks was a memorable event on their agenda. The planning of these events was under the able guidance of the group's president, Toni Felker, and the adviser, Mrs. Kenneth Barnard. Evenings meetings are held on the second and fourth Tuesdays of each month in the homes of the members. Girls wishing to join must maintain a "C" average or better. All of the members of Amica have been able to find a year filled with good times and stronger friendships.

Sorelles, an Italian word meaning "sisters", is a very fitting name. Working together in a spirit of friendship this year, they participated in social functions, welfare projects and activities beneficial to the school. These senior girls meet every first and third Tuesday in the girls' homes. Here their projects are planned under the leadership of Margie Siegel, President, and with the aid of Mrs. Margaret King, faculty adviser, and Mrs. Willard Hood, parent adviser. The year began with an induction tea for new members. The first project of the year was the annual sale of shakers for a future football game. At the next meeting they promptly accepted the challenge of the Senior Frauleins for a football game. The big day finally arrived — and Sorelles emerged triumphant, 14-7. They won second place in the Little Brown Jug Christmas Decoration Contest, and their year ended on a very successful note with a welfare project at Easter.

**Officers:** Nancy Mattison, President; Judy Krushe, Vice-President; Sue Schlatter, Treasurer; Sue Gilliam, Secretary.

You are invited to a meeting of the Tri-D Social Club. The date? Every second and fourth Tuesday of the month. The time? Seven thirty. The place? The members' homes, of course. This seems to lend a friendlier and more informal atmosphere to their meetings. Promoting a feeling of friendship among the girls is the aim of Tri-D's; the desire to be friendly and helpful to fellow students is the most important membership requirement and is always evident when the Tri-D's meet. President Nancy Mattison, with the aid of the other officers and the advice of Miss Agnes Baron, faculty adviser, has lead the club through an eventful and busy year. Everyone will remember the slumber parties; although no one got much sleep, they were a lot of fun. They made money on their fudge sale despite the temptation to eat it rather than sell it. The spring was highlighted by a splash party. All their activities helped the members become better acquainted.

The purpose of Les Femmes, to promote a better social relationship among its members, was carried out very effectively this year. They planned and promoted many interesting social affairs which included a hayride at Pearson Park, a Christmas party, a bake sale, and a senior banquet at the Delft House. They found the impressive formal induction of the new members, the progressive dinner, and the white elephant sale to be unusual experiences, while the latter served to boost the club treasury. The girls also decorated a part of the school at Christmastime in the Little Brown Jug competition. Members, who are required to have a "C" average or better, participated heartily in these various activities. Holding meetings on the first and third Tuesdays of each month at 7:30 in one of the girls' homes, President Marion Ayling, with the aid of Mrs. Iva Mennig, faculty adviser, led the Les Femmes through a successful socially-active year.

OWENS-CORNING  
**FIBERGLAS**

Fiberglas materials, in many versatile forms, provide comfort, economy, efficiency, and quality in thousands of products. Small wonder people say . . . **What'll they do next with Fiberglas materials?** The only limit is man's ingenuity. Sparking that ingenuity and helping it work new wonders continues to be our job and challenge at Owens-Corning. In the years ahead, you'll see many more reasons why we can promise . . .

The sadness brings back a happy memory, a memory dear to my heart and to all who knew him. Maybe I remember the way he chose critics to correct blackboard work and the way he shuffled cards to find who was to recite. We were only called on when we didn't know the assignment; he knew by some power and always drew my name. We had a terrible time translating Caesar, Vergil, and Cicero — tales known only to himself. ("Latin isn't hard; it's just easy to miss.") A subject could never be called dull or dead when he taught it. Perhaps, too, I remember him as a most ardent athletic booster. Every Friday we would bet no assignment or a double one if our football team won or lost. And that evening we'd see him selling tickets to those games he so enjoyed. He could tell when school spirit was high enough for a victory over Waite, or over Libbey in the Thanksgiving Day game; his predictions were 100% accurate. I remember his direction of the class plays, his rasping "h'lo", and his bright ties—very large ones—but never so large as his heart. I only regret that many other underclassmen never became acquainted with the true meaning of DeVilbiss as he so ably interpreted it. We who knew him shall not forget him.
